FINANCIAL SERVICES GUIDE

What information should you consider before deciding whether to proceed with our recommendations?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider.

Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

Who provides the financial services described in this FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of SWM (Aust) Pty Ltd.

This Guide contains further details about your financial adviser, their experience, qualifications and professional memberships.

Who is responsible for those financial services?

As the holder of an AFSL, SWM (Aust) Pty Ltd is responsible for the financial services provided to you. SWM (Aust) Pty Ltd acts on its own behalf when these financial services are provided to you. In relation to the financial services offered in this FSG, SWM (Aust) Pty Ltd, as the holder of an AFSL, does not act on behalf of any other person or licensee.

The law requires SWM (Aust) Pty Ltd to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act by SWM (Aust) Pty Ltd and/or its Authorised Representatives. SWM (Aust) Pty Ltd has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

What products are available?

A range of financial products offered by many leading financial product providers are available to our advisers when they provide personal advice. Details of the available products our advisers are authorised to provide advice about are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from.

When providing personal advice to you, our advisers may only recommend a product to you if they consider it is appropriate after considering your objectives, financial situation and needs. Your adviser is not required to tell you about products that are not on the Approved Product List.

How do we ensure that the personal advice we give you suits your needs and objectives?

To ensure your adviser provides personal advice that is appropriate, we firstly need to understand your objectives, financial situation and needs. Your adviser (referred to as 'we' below) will follow a step-by-step process as outlined below:

- 1) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2) We will collect all the information we need from you, including your objectives, financial situation and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing all of this information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where we recommend a financial product we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, a RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice. Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to invest in or acquire that product.
- 5) We will discuss our recommendations with you, make any changes you require and ask you whether you would like us to implement those recommendations on your behalf.

- 6) If you agree, we will then implement those recommendations.
- 7) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA. Where you have entered into an ongoing fee arrangement we will renew your arrangement annually.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

1. Where we provide you with only general advice, such as through seminars and newsletters;
2. Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

What documents do you get if we provide further advice?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting our office for a period of seven years from when the further advice was first provided to you.

How can you instruct us?

You may specify how you would like to give us instructions, for example, by phone or email using any of the contact details set out in this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

Other services

We do not provide services other than financial planning services.

What is your Financial Advisers fee structure?

As part of detailed financial planning, there are costs to you at various stages of the process. Before making any recommendations, we will discuss and agree the fees with you.

Advice fees are inclusive of GST and payable by you at the following stages:

- 1) **Recommendation:** For having a personalised financial plan (SoA) prepared, a plan preparation fee is payable. This is based on an average hourly rate of \$330 and the minimum fee is \$3,300 inclusive GST. We will provide you with a fee estimate prior to the commencement of any work.

A Statement of Advice will be prepared to confirm in writing any advice given in the initial consultation.

You will be sent an invoice and payment is required within 14 days from the invoice date. Please note the initial advice fees still apply where you decide not to implement my advice.

- 2) **Implementation:** You may be charged an implementation fee to implement the recommendations in your financial plan. These fees are payable when you decide to proceed with the implementation of any one or more recommendations that we provide to you. The actual fee will depend on the complexity of your situation. We generally expect this to be range between \$0 - \$2,640.
- 3) **Ongoing Advice Service and Reviews:** If you choose to have us provide an ongoing advice service, an ongoing review and advice service fee will be negotiated based on the ongoing service package that best suits your circumstances. This fee will be either dollar based or percentage based. The fee will be renegotiated annually and will be based on an average hourly rate of \$330 and will range from \$4,400 to \$36,300 p.a.

Note: Full details of all fees and commissions for financial services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements at the time of receiving any recommendation.

- 4) **Service fees:** We will discuss and agree our fee structure with you before we provide you with services. An hourly rate of \$330 will apply.

In addition to the remuneration detailed above, they are eligible to qualify for other benefits and entitlements as detailed below:

- Profit share, if Story Wealth Management Pty Ltd achieves certain profit targets.
- Bonuses, which may be paid at the discretion of the directors of Story Wealth Management Pty Ltd. Paid bonuses are dependent on advisers meeting certain client service standards eg quality of advice, client satisfaction and revenue generated.

From time to time we may accept alternative forms of remuneration from product providers or other parties (valued between \$100 and \$300), such as hospitality or support connected with professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit that we receive and other benefits that relate to information technology software support provided by a product issuer or that relate to educational and training purposes. A copy of the register is available on request for a small charge.

Will your financial adviser be paid when making a referral?

We do not receive or pay any referral fees or commissions.

What type of fees, commissions, payments and other benefits do we receive for our services?

The commission payable for financial products is limited to the following:

Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by SWM (Aust) Pty Ltd. These commissions are paid to SWM (Aust) Pty Ltd by the company that issues the product that we recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

If the initial commission is higher than the ongoing commissions, the maximum commission that SWM (Aust) Pty Ltd may receive is set out in the table below.

Inclined to retain as ongoing commissions where received will reflect the timeframes and parameters

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

* SWM (Aust) Pty Ltd may receive the pre 1 January 2018 commission rates above from the product issuer if:

- > your policy was issued before 1 January 2018 and you exercise an option or apply for additional cover under your policy after 1 January 2018; or
- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

We recommend an insurance product to you and it is applied for and issued on 2 February 2019. The annual policy cost is \$450. SWM (Aust) Pty Ltd may receive up to \$315 (70% excl. GST) as an initial commission and may pass up to \$315 to us. Assuming the policy cost stays the same each year, SWM (Aust) Pty Ltd may receive up to \$90 pa (20% excl. GST) as an ongoing commission and may pass up to \$90 pa to us.

From 2 April 2019, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to SWM (Aust) Pty Ltd in respect of this increase will be \$70 (70% excl. GST) as the increase has occurred in 2019. The ongoing commission payable to SWM (Aust) Pty Ltd in respect of this increased policy cost will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2020). These commissions may be passed onto us.

From 2 April 2020, you decide to increase your insurance cover again. The cost of this increased cover is \$100.

The initial commission payable to SWM (Aust) Pty Ltd in respect of this increase will be \$60 (60% excl. GST). The ongoing commission payable to SWM (Aust) Pty Ltd in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that SWM (Aust) Pty Ltd and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

What arrangements may influence our advice to you?

The SWM (Aust) Pty Ltd Approved Product List does not include any arrangements which may influence the advice of its Authorised Representatives.
